

WEEKLY SPORTS ROUND UP

MAY 2ND - 12TH 2023

ST. FINTAN'S SPORTS

TENNIS

Our tennis teams continue to excel. Our Junior team beat CBC Monkstown 5-0 in league action and our Seniors followed this up by continuing their rich vein of form defeating St. Columbus 4-1. All teams look forward to the playoffs now.

HURLING

Our 1st year hurlers contested their first ever school hurling final this week against Terenure College at Abbotstown. Despite a brilliant performance, the lads lost out on the day to a strong Terenure team. However, they showed great attitude and fought till the end. Well done to all players and to coaches Mr Keegan and Mr O'Dwyer.

SOCCER

Our TY soccer team beat holders Benildus 2-0 to create history and reach the TY cup final. After going down to 10 men in the 2nd half, the lads rallied and two late goals from Senan Dixon and Conor Ennis sealed a memorable victory.

Our Zambian Immersion group welcomed 11 former Sables Nua students to our school last week. The group were on a week long visit to Ireland and visited the 3 schools

involved with the project. We hosted the lads for the afternoon and they took part in a soccer game against our group. Final score St.Fintan's 4 Sables Nua 3 and we look forward to the second leg in a few weeks time in more difficult conditions!
