

WEEKLY SPORTS ROUND UP

OCT 2ND - 6TH 2023

ST. FINTAN'S SPORTS

GAEILIC FOOTBALL

Our Senior footballers continued their rich vein of form with an exciting one point win against Donabate CS this week. Despite being behind by 6 points in the second half they clawed their way back into the game and managed to claim a vital victory on a scoreline of 3-13 to 4-9.

Our U14 team have had two outings so far against St.Aidan's and this week against Benildus college. Despite losing out in these games they fought valiantly and will look forward to further improvement in their next league game against Portmarnock CS.

HURLING

Our Senior hurlers had an excellent win this week in the Leinster A league action beating Tullamore CS in a close game. Despite trailing by ten points at half time after facing into a strong wind, the lads produced a tremendous second half performance full of skill and determination to squeeze out a one point win with superb showings from Ben Kennedy, David Fogarty and Ryan McGuirk.

RUGBY

Our rugby teams had another busy week on the playing fields with all of the teams in action. Our 1st & 2nd Years were unfortunate to lose narrow games to CBC Monkstown but lots of encouraging performances in both groups.

Our Junior team lost 31-22 to St.Andrew's, Dylan Breen x2, Shane Hanratty and Eoin Garvey with 4 tries.

Our Seniors claimed a thrilling 31-29 win over High School, with a superb last play turnover from Finn McDonald sealing the victory. Tries from Oisin Kelly (x2), Conor Toomey, Luke Ingle and Giovanni Nostro.

OTHER SPORTING NEWS

Former student Jack Moylan has signed a contract to join league one team Lincoln City in January. Great news for Jack who has been excelling in his role with Shelbourne FC in the League of Ireland. He has scored ten league goals this year and is one of the brightest talents in the league.

Great to see two former students reaching the FAI Cup final this weekend as Bohemian FC defeated Galway United 1-0 to reach the decider in the Aviva stadium. Patrick Kirk and John O'Sullivan were both part of the team who played on the day. Also, fantastic to see some of our current students pictured (below) in the stands supporting their team.
