

WEEKLY SPORTS ROUND UP

OCT 9TH - 13TH 2023

ST. FINTAN'S SPORTS

SAILING

Team of the week has to be the Senior sailing team after they captured the Inter-Schools Sailing trophy this weekend in Sutton. The team comprised of Harry Dunne, Charlie Keating and 6th year captain Fiachra Farrelly. This is a prestigious sailing event and shows the level of sailors we have in the school. Fiachra Farrelly was also awarded "Best Sailor" on the day to cap off a memorable day.

SOCCER

Two successful outings this week in soccer for our U17 team and U19 team. Our U17 team had an excellent 4-1 win over Portlaoise CS in the cup. Players from 3rd, 4th and 5th year all involved with the goals coming from David Poole, Max Egan, Ryan Ward-Behan and Alex Kelly.

Our U19 team began their league campaign with an impressive 5-2 victory over St. Joseph's Fairview. With the game level at 1-1 at half time, the team produced a strong second half display with excellent performances across the pitch. Dan Ring once again proved unstoppable in front of goal with 5 goals on the day.

BASKETBALL

Our U16 and U19 teams both had excellent wins over St. Aidan's in league action. Our U16's triumphed on a scoreline of 49-47 with a tremendous performance from Vytis Urbonas helping to clinch the win. Our U19's had a comfortable victory with John Broderick dominating the boards on the day. Our U16's have now won all of their league games and are flying high.

HURLING

Our Junior hurlers had a busy week of action playing against Colaiste Mhuire, Johnstown and Colaiste Eoin in two tight games. The team produced a superb performance against Colaiste Mhuire and were very unfortunate not to come away with a victory having to settle for a share of the spoils on the day.

Our Senior hurlers had a worthwhile challenge game against Mullingar CS and although they lost out narrowly on the day it was a great opportunity for some of the squad to get well deserved game time in reward for their commitment to the team. The highlight of the game was a well taken goal by 6th year student Diego Calvert.
